Case No. 09-cv-05235-MMC

**JOINT STATUS REPORT AND
STIPULATION AND ~~PROPOSED~~
ORDER EXTENDING DISPOSITIVE /
DAUBERT MOTION DEADLINES**

The Court currently has a status conference on calendar for July 19, 2013. Plaintiff Power Integrations, Inc. (“Power Integrations”) and Defendants Fairchild Semiconductor International, Inc., Fairchild Semiconductor Corporation, and System General Corporation (collectively, “Fairchild”) jointly submit the following joint status report and proposals to (a) modify slightly the schedule for dispositive / *Daubert* motions and (b) take the July 19 status conference off calendar.

The parties have largely completed fact discovery (with the exception of a few minor outstanding issues they are working out cooperatively), and they resolved their one outstanding discovery dispute without involving Magistrate Judge James. In view of the parties’ schedules and an unforeseen availability issue with one of Fairchild’s experts, the parties agreed to the following brief extension of the deadlines for expert disclosures and depositions:

- Opening expert reports: due July 19
- Responsive expert reports: due Aug. 22
- Deadline for completing expert discovery: Sept. 11

In view of these minor modifications to the schedule for completing expert discovery, subject to the approval and order of the Court, the parties hereby stipulate and agree to a brief extension of the dispositive / *Daubert* motion deadlines previously set by this Court [*see* D.I. 170] as set forth below:

Event	Proposed Date	Current Date
Deadline to file dispositive / <i>Daubert</i> motions	Sept. 27	Sept. 6
Deadline to file oppositions to dispositive / <i>Daubert</i> motions	Oct. 11	Sept. 20
Deadline to file replies in support of dispositive / <i>Daubert</i> motions	Oct. 18	Sept. 27
Hearing on dispositive / <i>Daubert</i> motions	Nov. 1, or at the Court’s convenience thereafter	October 11

These extensions will not otherwise impact the schedule in this case. Additionally, Fairchild intends to shortly file a motion with the Court seeking leave to amend its infringement contentions.

In view of the parties’ agreements with respect to scheduling and their cooperation with respect to discovery, the parties do not believe there is a need for a status conference at this time.

1 As such, the parties request that the Court take the July 19 status conference off calendar, although
2 the parties remain available for a teleconference should the Court have any questions at this time.
